

STUDENT APPLICATION

Dear Parent or legal guardian;

Every student has the potential to be a great leader. The key is to begin developing their ability to serve and lead while they are young. This is the opportunity that The KUEST:Rocket Student Leadership Model provides for every student that chooses to be part.

KUEST began in 2001 and has trained students from across the nation that have gone on to be ministers, lawyers, artists, pastors, service members, business owners and more. The impact of this type of training early in life is powerful and we are excited that you and your child will be completing this application for involvement in this program.

As part of the KUEST Team, your child will receive training in various areas of ministry and service, such as Worship, Drama, Dance, Acting, Lighting, Audio, Prayer, Ministry and so on. As a member of these teams, your child will receive training for those various jobs and will be scheduled to serve on those teams on a weekly basis.

Upon approval of this application, your child will also enjoy in-class training that will teach them the core KUEST principles of Excellence, Teamwork, Respect, Authority and so much more. Throughout the year they will complete journals, read books and participate in activities that will strengthen their character and self-esteem. Along the way, they will be able to engage in exclusive activities aimed at strengthening their character and helping them build meaningful relationships.

Our goal is not to simply create exciting things for kids to do, but to offer opportunities that benefit them for years to come.

Because your child is interested in becoming a part of the KUEST Team, we ask that you discuss this opportunity with them. As part of the requirements for the program, we will need your Consent to Commitment that is included with this letter to be signed and returned with your child's completed application. Thank you, and may God bless you and your child as you continue to pursue serving Him.

Lead Strong,

Tom Toney
Founder, KUEST:Rocket Student Leadership
